### Wawa Short-Term Rental (STR) License Now Required

At the Regular Meeting of Council held on April 16, 2024 the Wawa Short-Term Rental (STR) Licensing By-law 3704-24 was passed. Effective this date, all persons who own, operate or offer a STR within the Municipality of Wawa must obtain a license to operate. A "Short-Term Rental" (STR) is defined as any rental accommodation provided for 29 days or less, in the Municipality of Wawa.

The STR Licensing Program was initiated by the Municipality of Wawa to address community concerns and to ensure all rentals operate safely in accordance with the Short-Term Rental By-law 3704-24, the Ontario Fire Code, the Ontario Building Code and Municipal By-laws. The creation of Wawa's STR Licensing Program was a thorough and inclusive process that involved multiple stages of extensive policy review and development. The initiative included a public consultation meeting, inviting valuable input and perspectives on STR's from our residents and stakeholders. A staff report was presented to Council, ensuring that every aspect of the STR By-law development was meticulously considered and aligned with the needs and values of the community.

To learn more or to apply for a license, please find a copy of the Wawa Short-Term Rental Accommodation Licensing Package at [www.wawa.cc](http://www.wawa.cc) or a paper copy can be picked up at the Municipal Office (40 Broadway Ave.). The Wawa Short-Term Rental Accommodation Licensing Package contains all the necessary information needed to submit an application to obtain a license to legally operate a STR within the Municipality of Wawa. If you have any questions regarding the STR Licensing By-law, please contact Kevin Sabourin, Chief Building Official at 705-856-2244 ext. 228 or [ksabourin@wawa.cc](mailto:ksabourin@wawa.cc).
