2021 OPERATING BUDGET

Significant Items Impacting Budget

1) Significant increases to municipal insurance premiums - **8%** increase or \$12,500

2) Rising salaries and employee benefits costs - **6%** increase in 2021 over 2020

3) Materials and equipment replacement costs have risen more than inflation

4) Unknown COVID Impacts – budget for 2021 includes estimate of impacts and loss of \$150,000 in grants

5) 2020 Assessment Update postponed - property assessments for the 2021 property tax year will continue to be based on the fully phased-in January 1, 2016, values

6) Decrease in provincial grants continues – e.g. annual Ontario Municipal Support Funds down \$50,000 from last year and down \$250,000 since 2017

7) Uncertainties – e.g. hydro dam compensatory grant (no inflationary provisions or receive until August)
