

## Municipality of Wawa

### MONTHLY REPORT – November- December

#### Department of Infrastructure Services

<b>Prepared By: Craig Hornyak</b>	<b>Report No: CH 2025-01</b>
<b>Agenda Date: January 14, 2025</b>	<b>File No: C11</b>

#### **Purpose**

The purpose of this report is to provide Council with an overview of the Infrastructure Services work completed during the month of November and December.

#### **Aerodrome Operations**

- Washroom upgrades were ongoing through both November and December with the contractor completing the work by end of December.
- Beacon light has been purchased and is waiting on timeframe for the installation from electrical contractor.
- Runway and tarmac are being plowed and sanded as needed.

#### **Cemetery Operations**

- The Woodland Cemetery has been closed since December 1, 2024.
- Snowplowing the Cemetery road will continue until after the Ice Candle Celebration event occurs which is scheduled for Saturday, January 18.

#### **Landfill Operations**

- Operations continue throughout the winter months with pushing and packing garbage in the active cell.
- Roll off bins are being emptied on a weekly basis and a brush pile is being prepared for burn in early January.

#### **Road Operations**

- Grader was on all the outside roads until freeze up began bringing gravel roads to winter grade. Now all roads as well as municipal streets are on a winter maintenance program with snowplowing and sanding done when snow events happen through our winter months.

- Sidewalks are also being plowed and sanded when snow or freezing rain events happen.
- Brushing on outside roads continue as time allows.
- Hot box is being utilized and hot patch is being applied to potholes around town.

### **Water and Sewer Operations**

- Regular Maintenance at the Water Treatment Plant continues as well as our water distribution system. All checks and water sampling are being done to ensure smooth operations as well as safe drinking water.
- Lagoons are being brushed of overgrown vegetation.

### **Capital Projects**

- Nothing to report at this time.

### **Month Ahead**

Forecasted for January.

- Brush pile at landfill is to be burnt. Continue with winter maintenance on all roadways and sidewalks. Brushing on outside roads.

### **Attachment**

None.

### **Recommendation**

That Council acknowledges receipt of Infrastructure Services Monthly Report CH 2025-01 submitted by Craig Hornyak dated January 10, 2025, for information.
